we simplify your business

About JOIN

Join is the only Italian-owned company in the conferencing market.

We have been in the Italian market for 15 years and our staff has a proven experience in conferencing of more than 20 years.

We are a worldwide Conferencing Service Provider for professional audio, video and web communication services: conference call, video conferencing, web conferencing and streaming.

JOIN offer

Join is the first Italian conferencing provider offering a complete range of communication services:

JOIN AUDIO

A professional audio conference service that allows you to access meetings from any country in the world, using toll and toll-free access numbers or the appropriate app. The service offers management of reports, registrations and Q&A sessions. It is also possible to manage the conference online thanks to the dedicated web interface.

JOIN EVENT

An operator-assisted audio conference service based on Arkadin technology. Dedicated to major audio events such as quarterly financial statements, annual announcements, the service offers high professionalism and unparalleled audio quality.

JOIN VIDEO

An innovative HD video conferencing service in the cloud on Vidyo technology that will amaze you with high definition quality, clear audio and ease of use from any terminal: personal computer, laptop, tablet, smartphone, videoconference endpoint. and SIP.

JOIN VISION

A H.323 multi-videoconference service based on ArkadinCloud technology. It is aimed at companies that use standard H.323 / SIP endpoints but do not intend to purchase complex and expensive multi-videoconferencing infrastructures, nor acquire personnel dedicated to organize and manage meetings.

JOIN WEB

A full-featured videoconferencing service based on the Zoom platform. Accessible from your PC, Mac, tablet and smartphone. IP and audio access. Statistics, HD audio, full HD video, recording, chat, screen sharing, and any other features a videoconferencing service can offer today.

JOIN CAST

This service is based on 24 technology and offers the widest variety of tools for broadcasting events and content on the web. It is the most innovative and complete service available to reach the largest possible audience.

JOIN STREAMING

A service based on Livestream technology; it is the easiest service for audio / video webcast at the most affordable price. It allows you to reach a wide audience with video and slide presentation without any technical installation or special requirements.

JOIN CONNECT

An audio, video, instant messaging, file sharing service that allows customers and suppliers to get in touch with you in an innovative way through your website, an App from a smartphone or a PC browser.

JOIN PHONE

A new solution aimed at small and medium-sized companies that need an advanced telephone switchboard, taking advantage of high-tech services, reducing telephone costs.

JOIN INTERPRETER

Thanks to this innovative service it is possible to instantly break down the geographical and linguistic barriers that can hinder business development, especially with emerging countries with a stronger economic growth rate

JOIN TEAM

A Unified Communication service that exploits the potential of the Slack engine to offer audio, video, chat, file sharing, presence, calendar, to do services in addition to connecting to over 300 apps.

FOCUS ON THE CONTENT, NOT THE TECHNOLOGY
Engage your audiences with flawless and engaging video webinars

Share your story

Host online events with up to 100 interactive video participants and 10,000+ attendees. Automatically record events for later publishing.

Generate more leads

Identify quality leads with reporting and analytics and seamlessly import them into your marketing automation platform for follow up.

Simplify registration

Flexible registration management allows you to brand forms and emails, and integrate directly with your CMS.

- HD video and audio for live video panelists to share video and interact with the audience.
- Integrate with Marketo, Eloqua, Pardot, Kaltura, Panopto, and Salesforce to simplify workflows.
- Broadcast your event to Facebook Live and YouTube to boost interest and engagement.
- Enjoy unlimited audio for VoIP and global dial-in (toll applies) for 70+ countries.

Reporting and analytics

Get reports on registrants, attendees, polling, attendee engagement, and Q&A for follow up.

One-click HD screen sharing

Easily share video and audio clips. Participants can see panelists and presentation at the same time.

Security and privacy

End-to-end 256-bit AES encryption safeguards all log-in information and webinar session data.

Accessibility for all participants

Ensure that everyone can participate equitably with closed captioning and keyboard shortcuts.

Whether we're running team meetings or presenting a webinar, we find Join Webinar to be intuitive and easy to use. The performance has been stellar at a fraction of the price of our old solution.

You're in total control

Host controls let you mute/unmute panelists, and promote attendees to panelists, giving them audio & video capabilities for enhanced engagement.

Join and participate from anywhere

Presenters and attendees may join from any device including desktop, laptop, mobile, Join Rooms, and Join Conference Room Connectors.

ADDITIONAL BENEFITS OF JOIN WEBINARS

Monetize your webinars with the Paypal integration via Zapier. Attendees have the option to pay via Paypal or credit card.

Expand your impact with high-demand or recurring webinars by recording and auto-generating transcripts.

Simple and intuitive host controls for presenters and interactive capabilities for attendees from any device.

Encourage attendee engagement with interactive features, including raising a hand, live polling, and Q&A.

Host large-scale events with help from our team, including planning, rehearsal, and live support.

Interactive chat functionality provides 1-1 and group chat options for attendees and panelists.

BROADEN YOUR REACH

Join Webinars are different than other webinar solutions because of the incredible quality, reliability, scalability, and affordability. Seeing the presenters makes a world of difference in building personal connections, engagement, and trust.
